We will be starting the meeting in a couple of minutes.

We're just waiting on a few more people. We have about half of the registrants have showed up, so we're going to give it another minute or two, OK?

Steve, I stopped the recording and transcription until we start the meeting, so you'll have to start it back up again, OK?

**PS** **Przygocki, Scott** 0:39

Sure.

**BD** **Braga, Donna** 0:53

Then I may have hosed it because.

I can't select that option now.

**PS** **Przygocki, Scott** 1:02

I can.

I can do it if Shannon can't do it.

**BD** **Braga, Donna** 1:05

No, no, no.

I think it's grayed out.

Give it a shot.

**PS** **Przygocki, Scott** 1:08

Oh.

**BD** **Braga, Donna** 1:09

Mm hmm.

**PS** **Przygocki, Scott** 1:14

It looks like it's still recording.

Actually I can only cancel it.  
I can only stop the recording.

**BD** **Braga, Donna** 1:19  
OK, great.

**PS** **Przygocki, Scott** 1:20  
So.  
Let's see if I can cancel it and then start it up again.

**BD** **Braga, Donna** 1:28  
Umm, that's what I try.

**PS** **Przygocki, Scott** 1:28  
Do you want me to? Not you tried it.

**BD** **Braga, Donna** 1:32  
That's fine.
