

The Dependent/Benef Elig History Tile

The Dependent/Beneficiary Tile will display all dependents/beneficiaries whether past or current.

Dependent/Beneficiary Info

The Dependent/Beneficiary Info page below shows all Dependents and Beneficiaries selected from the Add Individual Dependent/Beneficiary Information page.

Name	Relationship	Beneficiary	Dependent
<input type="text"/>	Spouse	✓	✓
<input type="text"/>	Child	✓	✓
<input type="text"/>	Child	✓	✓

Once a relationship is selected as shown below, the system will “automatically” default in a Yes or No in the Dependent and Beneficiary field.

As of:

Address

Address	Address Type	Same Address as mine
<input type="text"/>	Home	Same as mine

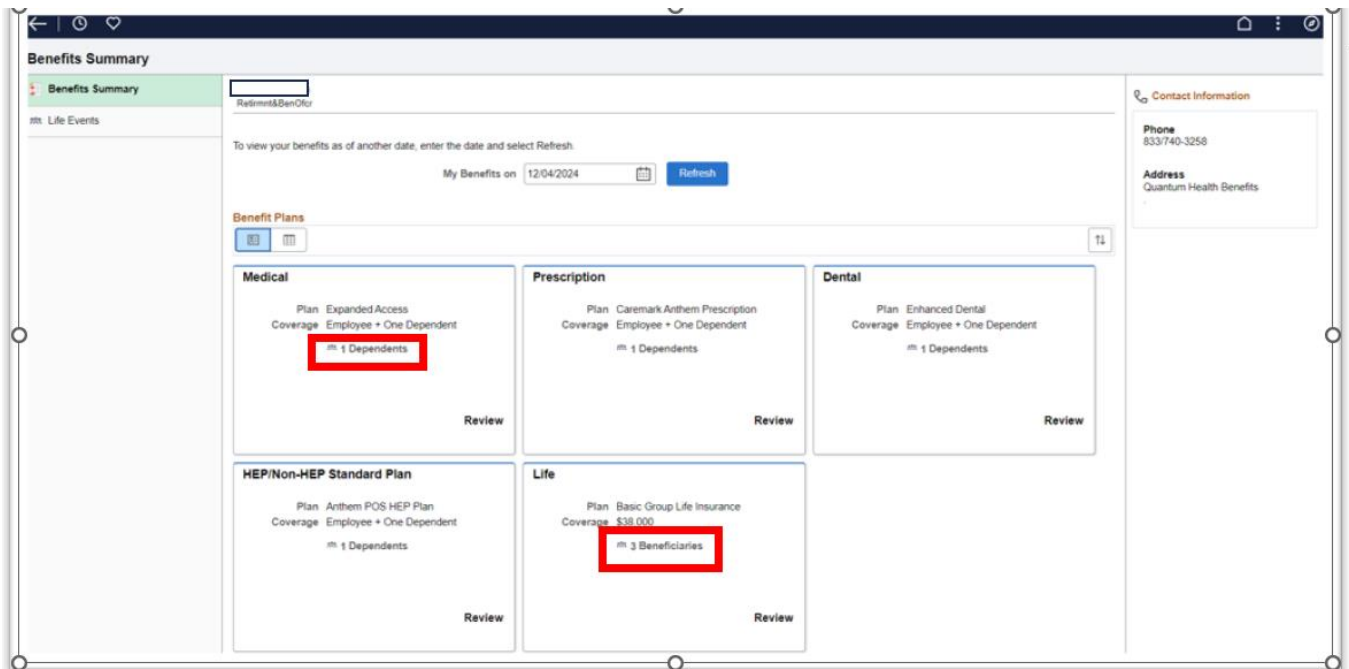

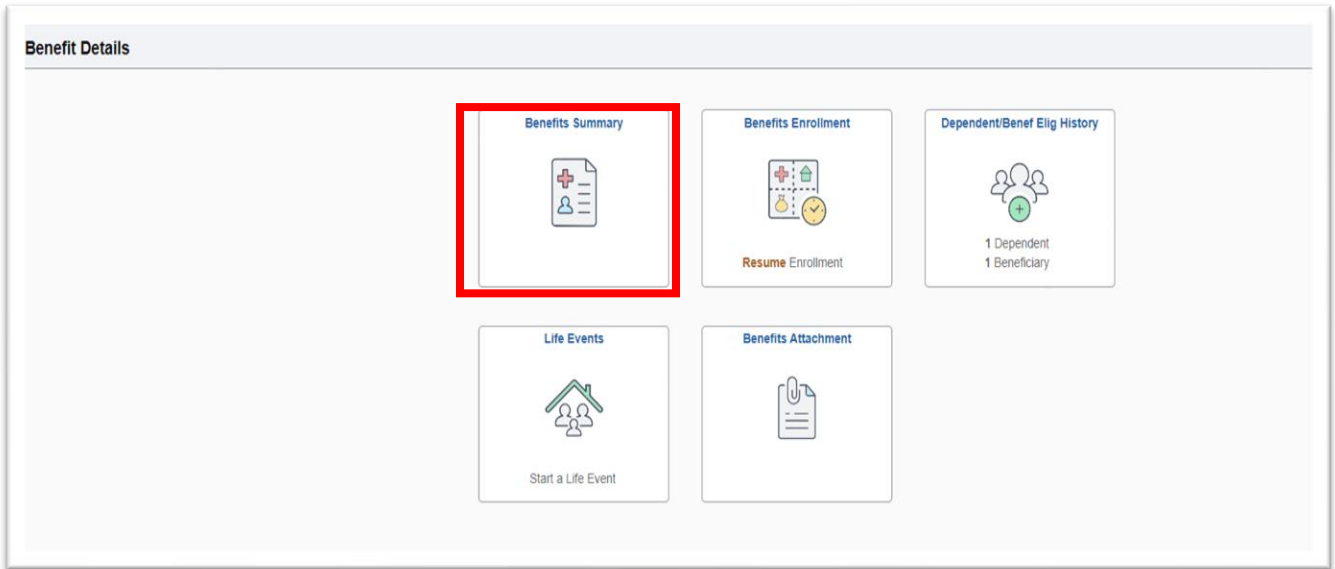

If a Dependent/Beneficiary change is needed, please contact your Agency HR or Benefits Specialist for assistance.

NO DEPENDENT/BENEFICIARY Information is ever deleted from the system.

Benefits Summary Tile

The Benefits Summary tile will let you see the “current” Dependents/Beneficiaries on your Health and Life Benefit Plans.

Pension Tile

The Pension tile will show “current” Retirement Beneficiaries for retirement contributions.
